# Welcome to T24

T24 is the leading Supplier and Exporter of Variety of stones. T24 collection comprises more than 100 varieties of marble, granite, SLATE, SANDSTONE, MOSAIC, PANEL & VENEER.

T24 is the new venture of “NABERA GRANITES” which is serving the industry “SINCE 1989”.

The vision to form the enterprises was to fetch a unique identity for antique INDIAN QUARTZITE SLATE AND UNIQUE STONES in the international market while accomplishing the mission to deliver a quality product via the best quality process every time.

The antique slate created a unique identity of the organization in the domestic and international market.

The company is supported by growing international demand, as well as exporting its products to the various countries like UK, USA, UAE, Europe etc.

The product management and supply is governed by dedicated professionals to provide quality and to satisfy the demand of the end consumer.

The Organization is set to make a mark in the highest competitive market with its high quality and unique product range, best packaging, and transportation service.

**Our Vision** is to create the quality brand with trust and ethics.

**Our Mission** is to accelerate the quality and give the identity to unique stone with continuous growth in industry.

“We believe in ethical business relationship, which governs a person's behavior”.
